**SHALL CITY OF CENTRAL POINT PROHIBIT RECREATIONAL MARIJUANA

SUMMARY:

State law allows operation of licensed recreational marijuana producers, processors, wholesalers and retailers. State law provides that a city council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those licensed activities.

Approval of this measure would prohibit the establishment and operation of licensed recreational marijuana producers, processors, wholesalers and retailers within the area subject to the jurisdiction of the City of Central Point.

If this measure is approved, the city will be ineligible to receive distributions of state marijuana tax revenues and will be unable to impose a local tax or fee on the production, processing or sale of marijuana or any product into which marijuana has been incorporated.

EXHIBIT B

EXPLANATORY STATEMENT

Approval of this measure would prohibit the establishment and operation of certain licensed recreational marijuana activities within the city.

Measure 91, approved by Oregon voters in 2014 and by the Legislature in 2015, provides that the Oregon Liquor Control Commission will license recreational marijuana producers (those who manufacture, plant, cultivate, grow or harvest marijuana), processors (those who compound or convert marijuana into concentrates, extracts, edible products, and other products intended for human consumption and use), wholesalers, and retailers.

A city council may adopt an ordinance prohibiting the establishment of any of those licensed entities within the city, but the council must refer the ordinance to the voters at a statewide general election. The City of Central Point city council has adopted an ordinance prohibiting the establishment of licensed recreational marijuana producers, processors, wholesalers, and retailers within the city and, as a result, has referred this measure to the voters.

If approved, this measure would prohibit licensed recreational marijuana producers, processors, wholesalers and retailers within the city.

Approval of this measure has revenue impacts. Currently, ten percent of state marijuana tax revenues will be distributed to cities to assist local law enforcement in performing their duties under Measure 91. If approved, this measure would make the city ineligible to receive its share of the ten percent of the distributions of state marijuana tax revenues.

Currently, under the 2015 legislation, a city may impose up to a three percent tax on the sale of marijuana items by a marijuana retailer in the city. However, a city that adopts an ordinance prohibiting the establishment of medical marijuana processors, medical marijuana dispensaries, or recreational marijuana producers, processors, wholesalers, or retailers may not impose a local tax or fee on the production, processing or sale of marijuana or any product into which marijuana has been incorporated. Approval of this measure would therefore prevent a city from imposing a local tax on those activities.
